The tables below contain the crime statistic data for calendar year 2014, 2013 and 2012. These tables were compiled using data from the University of Georgia Police Department and from the Athens-Clarke County Police Department. In addition to crime types and numbers, offenses are also categorized by location as defined by the Clery Act.

The following table shows incidents that occurred and were reported to the University of Georgia Police Department under circumstances where the exact geographical location could not be determined. The University of Georgia Police Department feels that providing data related to these incidents is very important, as they impact the communities and lives of students, faculty and staff of the University of Georgia. These incidents are not counted in the Main Campus statistic table above.
