

CLERY ACT CRIME STATISTICS

The following annual security report provides crime statistics for selected crimes that have been reported to local police agencies or to campus security authorities. These tables were compiled using data received and gathered by the University of Georgia Police Department, the Athens-Clarke County Police Department, and from other local law enforcement offices as appropriate. The counting and disclosure of Clery-reportable offenses in the following tables are based on the definitions provided by the Federal Bureau of Investigation's Uniform Crime Reporting ("UCR") Program, as well as definitions provided by the Violence Against Women Act of 1994 for certain crimes. These definitions are provided below following the tables. The statistics reported for the sub-categories on liquor laws, drug laws, and weapons offenses represented the number of people arrested or referred to campus judicial authorities for respective violations, not the number of offenses documented. The University reports whether any of the below offenses constitute hate crimes, as well as whether there have been any incidents of Larceny-Theft, Simple Assault, Intimidation, and/or Destruction/Damage/Vandalism of Property to the extent such incidents were hate motivated, as required by the Clery Act. Reported incidents of hate crimes for a given year are described in the notes below the applicable year's table of crime statistics. Unless otherwise noted, the figures in each of the following three tables are from the Athens campus.
